Sources of Regular Funding

Documents to be sent with application:

- copies of two written quotations / estimates for all costs involved (where appropriate)
- For established groups:
 - latest set of accounts and balance Sheet
 - details of current financial position

or for new groups: a planned budget

Project details and reason for application:

Local parishioners volunteer to carry out grass cutting on a rota basis but we engage a gardener to carry out strimming and cutting back trees & shrubs and his annual invoice is around £250 per year and we contribute to the fuel used in the mowers

We have monies invested in CCLA investment funds from a legacy which is 'ring fenced' for the upkeep and repairs to the church (our current project is repairs to the stained glass windows and associated masonry - estimated at between £45-50,000). The interest from these investments also goes to the day to day running of the church.
