

Marlingford and Colton Parish Council

Grant Awarding Policy and Application Form

About the Scheme

The Parish Council has a small amount of money each year to allocate to organisations that benefit the parishioners of Marlingford and Colton. Applications will be considered which support the objectives of the council – reduce rural isolation and deprivation; improve road safety; the support of youth activities; the support of sporting activities. Those organisations need not necessarily be in the parish but must show evidence of our parishioners benefiting from the project.

Eligibility

The following criteria must be met for a group to be considered for a grant:

- The group must be a charity, voluntary or community organisation
- The group must be able to demonstrate that any funding from the Parish Council will benefit the residents of Marlingford and Colton
- The group must be able to demonstrate that there is a 'need' for the funding
- The group must be formally constituted and have a management committee.

No grants can be made to individuals.

Scope of grants

Applications will be considered for the following purposes (at the discretion of the Parish Council):

- For purchasing equipment either in part or in full
- For funding of transport that will enable group members to participate in a group trip or outing regardless of their incomes
- For training activities or to purchase the expertise of an outside trainer or facilitator
- For activities that raise the profile of the group
- For running costs of a viable group that is experiencing a period of hardship
- For hosting special events or celebrations
- For the provision of recreational facilities
- For funding expenditure required to fulfil mandatory, legal or safety requirements.

Conditions

- Multiple applications within a 12 month period will not normally be considered
- Prior approval of the Parish Council is required for any change of purpose of the grant. The Parish Council reserves the right to reclaim any grant not being used for the purpose specified in the application
- All awards must be properly accounted for and evidence of expenditure should be supplied as requested. If the Parish Council is not satisfied with the arrangements, they reserve the right to request a refund of monies awarded

Application process

Applications should be made by completing the Funding Application Form available from the Parish Clerk or on the website. For established organisations, a copy of the latest set of annual accounts and balance sheet will be required. For new organisations, evidence of a planned budget will be required.

Applicants will be informed of the meeting at which their application will be considered and will be invited to attend. Applicants will be notified of the decision made following that meeting.

The Grant Process

Applications will be considered at the end of the year by the Parish Council, so applications must be received by the Parish Clerk by the end of October. Applications should be made on the grant application form which can be obtained from the Parish Clerk. Successful applicants will be notified following that meeting. Note that the maximum amount of any grant is likely to be £300, and organisations can only apply for one grant for any one project.

Promotion

The Parish Council will ask for recognition from successful groups in the form of promotion of the Parish Council in newsletters or any press releases. The Parish Council will also recognise successful groups in its own reports to parishioners.
